

***For Immediate Release***

**C B Sehorn Elected Director, Southern Region Board of Directors,  
National Association of Credit Management**

*June 8, 2006, Columbia, Maryland*—C B Sehorn, CCE has been elected Director, Southern Region to the Board of Directors, National Association of Credit Management. Mr. Sehorn is Credit Manager, Lake Steel Ltd. in Amarillo, Texas, a steel distributor serving a five-state area. He has been with Lake Steel for 28 years.

Mr. Sehorn received a BS degree in Mathematics and an MBA in Operations Research from West Texas A&M University.

He has served two terms on the Board of the Amarillo Association of Credit Management, becoming Chairman of their Board. That association was acquired by NACM Southwest in Dallas. He currently is serving his second term on the Board of Directors of NACM Southwest, and Chairman of its Board of Directors.

Mr. Sehorn also serves on the Board of Directors of the High Plains Epilepsy Association as Treasurer, and volunteers in his community at the Thomas Creek Veterans Hospital and Nursing Home. He started The Soldiers of Light Volunteer Program for the Christian Church of God in Amarillo, which serves Veterans Hospital as well as The Care Net Crisis Pregnancy Center.

"My goal is to help make known the benefits of NACM, and assist in keeping the organization on the cutting edge, so that we are the leaders in providing resources, education and opportunities for tomorrow's credit professional. The axiom that the whole is equal to the sum of its parts is proven, in that, by strengthening the members we serve, we will provide a strong future for NACM."

###

The National Association of Credit Management (NACM), headquartered in Columbia, Maryland supports more than 25,000 business credit and financial professionals worldwide with premier industry services, tools and information. NACM and its network of Affiliated Associations are the leading resource for credit and financial management information and education, delivering products and services, which improve the management of business credit and accounts receivable. NACM's collective voice has influenced legislative results concerning commercial business and trade credit to our nation's policy makers for more than 100 years, and continues to play an active part in legislative issues pertaining to business credit and corporate bankruptcy.
